

The following page(s) are extracted from multi-page Kuhnke product catalogues or CDRoms and any page number shown is relevant to the original document. The PDF sheets here may have been combined to provide technical information about the specific product(s) you have selected.

Hard copy product catalogues, and CDRoms have been published describing Kuhnke Pneumatics, Solenoids, Relays and Electronics; some divided into different books. A list of current publications is available on this web site or from our sales offices. Some may be available for download, but as substantially larger files.

(2) 4mm tube push-ins 56025

Reducer
(1) 4mm push in 52015

All dimensions in millimeters.

Push-in fittings accept 1/8" tubing with a wall thickness of up to 3/64".

Male metric threads do not fit 10-32 NPT ports without damaging threads. Female M5 ports accept either M5 or 10-32 NPT male fittings.

Fittings with G1/8 male threads fit both Metric and NPT ports.
